DIRECTORY

*We are here to help you navigate through the cancer
experience.*

November 2009

MISSION STATEMENT:

The Adirondack Community of Solutions will increase the awareness, availability and accessibility of programs and services provided to those touched by cancer. This includes cancer patients, survivors, caregivers, family members, friends and healthcare providers. To accomplish this, members of the ADK Community of Solutions will work collaboratively in an effort to better serve the community.

The Adirondack Community of Solutions is comprised of the following partner organizations: Albany Law School's Health Law Program, the American Cancer Society, Caritas, Capital Region Action Against Breast Cancer (CRAABI), Caring Together, The Community Hospice, C.R. Wood Cancer Center at Glens Falls Hospital, Fidelis Healthcare, Gilda's Club of the Capital Region, the Healthy Living Partnerships of Hamilton, Saratoga, Warren and Washington Counties, High Peaks Hospice, New York Oncology and Hematology, The Leukemia and Lymphoma Society, Radiation Oncology Center at Saratoga Hospital, Rays of Hope, Washington County Public Health - Hospice Department. Susan G. Komen for the cure

If your organization would like to join our efforts, contact Dee DeLollo at the American Cancer Society, 454-4006.

For more detail on the resources listed and additional resources contact the American Cancer Society at 800-227-2345 or (518) 454-4006.

Financial assistance: Mileage reimbursement to treatment. There is a lifetime limit of \$400 of which \$100 is per ACS fiscal year (Sept-August) unless there is a recurrence, then another \$100 can be provided. ACS can also provide assistance in locating other resources.

Health education: Free material is available on most cancers and treatment processes by calling 800-227-2345 or by visiting the website, www.cancer.org.

Housing: There are 22 Hope Lodges located across the United States. They offer safe, home-like free temporary lodging to cancer patients and their loved ones while receiving treatment. In the northeast, locations include Buffalo, Rochester and NYC, Worcester & Boston Massachusetts.

Prosthesis, Wigs and Accessories: Free wigs, scarves or other accessories are available for persons in cancer treatment. Wig manufacturers and area salons have donated items that are available.

Support Services: A variety of supports, resources and information are available to persons affected by cancer. One-on-one support to persons with prostate or breast cancer is available through *Man-to-Man* and *Reach to Recovery*, respectively. *Look Good...Feel Better* (a service to combat the visual effects of treatment) provides a free make-up and skin care kit to women going through treatment who attend local sessions. *Man to Man Prostate Education and Support Group* is available at Glens Falls Hospital and Saratoga Hospital. *Road to Recovery* is a program offering transportation for cancer patients to their treatment appointments (chemo, radiation and hormone) and is based on volunteer driver availability.

Transportation: This supplemental service utilizes volunteer drivers for transportation specifically for cancer treatment appointments (radiation, chemotherapy, hormone) to patients who are ambulatory. Three business days' notice is suggested as availability is subject to the availability of volunteer drivers. For assistance, call our Queensbury office at 518-792-5377 or 800-227-2345.

Counseling: CancerCare is a national nonprofit organization that provides free, professional support services to anyone affected by cancer: people with cancer, caregivers, children, loved ones, and the bereaved. CancerCare programs - including counseling, education, financial assistance and practical help - are provided by trained oncology social workers and are completely free of charge.

Financial Assistance: CancerCare social workers can provide guidance about financial benefits and sources of help. CancerCare also provides limited grants to people with certain kinds of cancer and for people in certain locations. Generally, CancerCare grants are for transportation to treatment, home care and child care needs. CancerCare grants are not for basic living expenses. The type of costs that can be covered is subject to change. The most current information on their grants can be found on www.cancercares.org.

Financial Assistance: The *Patient Financial Aid Program* provides a \$150 stipend per fiscal year (July 1 - June 30) for any blood cancer patient. This includes those with leukemia, lymphoma, myeloma, myelodysplastic syndrome or Waldenstrom Macroglobulinemia. There is no income requirement for this program but a one-page application must be submitted with a doctor's signature. *Co-pay assistance program* is also available for drug co-pays or health insurance premiums. A maximum of \$5,000 per year is available for patients with certain blood cancer diagnoses with income levels within 500% of the Federal Poverty Guidelines. Those interested must call the Co-Pay Assistance Line at (877) 557-2672 to apply.

Health Education: Free up-to-date informational booklets and a comprehensive website on all blood cancers. Free local educational programs, national webcasts and

teleconferences are offered. A free lending library at the chapter office is available on diseases, coping, survivorship, nutrition and bereavement.

Support Services: We are committed to providing support and guidance to patients, families and the healthcare professionals who care for them. We assist individuals coping with leukemia, lymphoma, Hodgkin's lymphoma, myeloma, myelodysplasia and Waldenstrom's Macroglobulinemia. The local chapter is available to provide information and guidance. *Support groups* - local and telephone support groups for adult blood cancers, lymphoma, young adults with cancer as well as disease specific telephone groups. Please contact the local chapter for ongoing or special groups.

Adult Blood Cancer Group: 2nd Wednesday of the month, Gilda's Club; *Young Adult Cancer Group:* (18-35 years old) 1st Thursday of the month, Gilda's Club; *Blood Cancers Support Group:* 2nd Wednesday of the month, Glens Falls Hospital.

First Connection-Peer Support: This program provides patients and families the opportunity to share experiences with someone who has successfully treated for the same diagnosis. Please contact the chapter to arrange a First Connection call.

Trish Greene Back to School Program: This program fosters communication among health professionals, parents, young patients and school personnel in preparation for a smooth transition to school after a cancer diagnosis. Informative materials, videos and local programs for teachers and school nurses are available.

National Information Resource Center: Information specialists-professional social workers and nurses are available by phone (800-955-4572) or email (infocenter@lls.org). They can provide current information on blood cancers, treatments, clinical trials and coping.
