Dear Mara,

It is with great pleasure that the Board of Directors of Wiawaka Holiday House will recognize you as a Celebrated Woman in healthcare outreach at our March 8th NY Celebrates International Women's Day event in Albany.

This is the 101st International Women's Day, during which women around the globe gather to honor women who have made a difference, often one woman at a time. In the shadow of the state Capitol, with the support of Honorary Event Chair U.S. Senator Kirsten Gillibrand, Governor Andrew Cuomo and others in government, business and community leadership, we look forward to a wonderful celebration of women.

Wiawaka means "spirit of women." For your personal commitment to educating and supporting women and their families when they need it most, when facing breast cancer; and for your championship of breast cancer survivors through To Life!, we honor your extraordinary personal and professional service – your recognition of the unique spirit of women.

We are pleased to recognize you on International Women's Day, among our honorees in women's health, education, the arts and leadership. We look forward to sharing this special day with you.

Congratulations, on behalf of the entire Board of Directors.

  
Peg Mackey  
President
